- The Freedom Convoy 2022 Facebook page has shared a video from which was originally posted by **Personal Info.** on Facebook. In the video, the individual states the following key points:
 - "Give send go has since officially replied on more than one platform saying that no the Canadian Government and what not has no jurisdiction over them being an American Company. And so, the funds are still accessible for us. And so that is not a problem."
 - "So if we are still here tomorrow morning, we're home free for the entire weekend because they won't be able to do anything on Friday because it sounds like a whole lot of you were going to be here on Friday afternoon for the weekend..."
 - "News for tomorrow, starting at 9 o'clock tomorrow in front of Parliament is a meeting place for a Jericho² march." The route of the march was not disclosed in the video.
